If the number in column 1 is less than zero, enter "0" in column 2.

If the highest number previously paid for in this space is less than 20, enter the highest number previously paid for in this space less than 20.

If the highest number previously paid for in this space is less than 3, enter the highest number previously paid for in this space less than 3.

The total amount previously paid for in this space is the sum of the amounts in the corresponding columns.
